

The background is a dark, high-angle aerial photograph of a city street, showing buildings, trees, and a road. Overlaid on the top left and right are red, stylized graphic elements resembling circuitry or abstract patterns. In the center, the word 'Howe' is written in a large, white, cursive script. To the left of the 'H' is a small white silhouette of a person walking. Below the main title, the text 'FALL - HOLIDAY 2007' and 'SUPPLEMENT #1' is printed in a clean, white, sans-serif font.
